PROFILE

Enthusiastic and skilled Full Stack Web Developer with a solid foundation in modern web technologies acquired from a 4-month intensive course. Proficient in HTML, CSS, Bootstrap, JavaScript, and React, with hands-on experience in building interactive and responsive web applications. Knowledgeable in integrating APIs with the use of express, Sequelize as ORM and utilizing MySQL for efficient database management. Also capable of using collaborative tools such as GitHub. Proven ability to deploy and host web projects using Vercel. I am eager to leverage my education and passion for coding to contribute to dynamic development teams and create exceptional user experiences.
